

## السيرة العلمية

مختار خميس محمد سعيد

علم الحيوان / علم الأنسجة :

:

الشهادة:

المبريد الالكتروني: mukhtarhaba@yahoo.com

التدريس:

- الدراسات الاولية:

-التنوع البايولوجي

-

-الفقرات

- الدراسات العليا:

-

- تكوين الأعضاء

الاهتمامات البحثية:

- التغيرات النسجية الناجمة عن الملوثات الكيميائية

- التنوع البيولوجي

-

النشریات:

-

-

\* The field guide to the wild mammals of Iraq / Publication of college of science for women

University of Baghdad . Alfarahedy press.2014

\*Eco-tourism guide of the marshes of Iraq– First edition ,2016

-

-

-

\* Acclimation of common Carp, Bunni, Gattan to the drainage water of the Third River using concrete ponds, Marina Mesopotamica. Vol.8(2):190-201-1993. 1993.

\*Salinity and ionic constituents for the northern part of the Third River and its effect on fish and aquatic organisms, Marina Mesopotamica. Vol.8(2):190-201-1993. 1993

- \*Ovary embryogenesis in *Gambusia affinis* (Baird and Girard, Journal of Education College for Women). Vol.11(1); 165-172. 2000
- \*The origin and migration of primordial germ cells in mosquito fish *Gambusia affinis* (Baird and Girard), Ibn Al-Haitham J. for Pure & Appl. Sci. Vol.15(4G). 2002.
- \*Histological effects of black molly fish *Poecelia latipenna* exposed to Trifluralin. Al-Kufa University Journal for Biology. Vol.1(2), 2009.
- \*The effect of crud extraction of Fenogreek *Trigonella foenum graecum* on liver and kidney of male rabbits, Proceedings of the sixth scientific conference in biological sciences, College of Education, Tikrit University. 2009.
- \*Embryonic development of carp *Cyprinus carpio* in Iraq, Proceedings of the sixth scientific conference in biological sciences, College of Education, Tikrit University. 2009.
- \*The effect of pentostam on liver histology for male albino mice, Proceedings of the fifth scientific conference in biological sciences, College of Science, Babylon University. Vol.5:359-370. 2010.
- \*Mesopotamian marshland mammals, *Marsh Bulletin* 4(2):179-189. 2009.
- \*Oogenesis in *Iza abu*, 2010. Kirkuk University Journal Vol.5(1):41-52.
- \*The effect of manganese chloride on testis histology of albino mice. 2010. Journal of Baghdad for Science .8(1) : 229-234 .
- \*The effect of manganese chloride on ovary histology of albino mice. 2010. Journal of Baghdad for Science .8(1): 235 – 243 .
- \* Documentation some mammals in Iraqi Kurdistan region.(2013). Journal of University of Zakho, Vol.1, (A) No.2, Pp 145-151
- \* Otter hunting and trapping , A traditional practice of marsh Arabs of Iraq , IUCN Otter Spec Group Bull . 31(2) 2014 .
- \*First confirmed records of two bat species of Iraq : *Rhinolophus Euryale* and *Myotis emarginatus* ( Chiroptera ). Mammalia, 2015,aop.
- \*Checklist of the Mammals of Iraq ( Chordata : Mammalia ) . Bonn zoological Bulletin , 64 (1): 33-58 .

## Academic Biography

**Name: . Mukhtar Khamis**

**Educational qualification:** PhD **University:** Baghdad **Specialty** Zoology/Histology

Email : mukhtarhaba@yahoo.com

### Teaching:

- Undergraduate
- **Biodiversity**
- Histology**
- Vertebrates**
- Postgraduate
- Organology**
- 

### Research interests:

- **Histological changes caused by chemicals**
- **wild field consevation**
- 

### Publications:

- books

\* The field guide to the wild mammals of Iraq / Publication of college of science for women

University of Baghdad . Alfarahedy press.2014

\*Eco-tourism guide of the marshes of Iraq– First edition ,2016.

- journals

\* Acclimation of common Carp, Bunni, Gattan to the drainage water of the Third River using concrete ponds, Marina Mesopotamica. Vol.8(2):190-201-1993. 1993.

\*Salinity and ionic constituents for the northern part of the Third River and its effect on fish and aquatic organisms, Marina Mesopotamica. Vol.8(2):190-201-1993. 1993
