Academic Biography

Name: Neamah .E kadhim

Educational qualification:

-M.Sc. in computer science from College of Science / university of Baghdad 2007**.**

-Ph.D. in computer science   from College of Science /university of Babylon 2017.

University: Baghdad

Specialty: computer science **/image processing and medical image processing**

E-mail: neimaek-comp@csw.uobaghdad.edu.iq

Teaching:

- Undergraduate:
- Simulation
- Advance windows programming
- Internet and web programming
- C++ language programming
- Java programming
- Mathlab
- **Postgraduate**:
- no
-
-

Research interests:

- Internet programming
- Image and medical image processing
- Data mining
- Soft computing
- Steganography

- **Journals**:
- Brain tumor classification based on singular value decomposition 2016
- Brain Cancer classification Based on Features and Artificial Neural Network   2017
